Section of Ma and Pa Heritage Trail is closed

(Bel Air, MD) - - The Department of Parks and Recreation has announced that the section of the Ma and Pa Heritage Trail between Newport Drive and Route 23 is closed from Friday, September 20, 2013 to Monday, September 23, 2013 due to maintenance work on the cell tower adjacent to the trail.

The trail closure is for the safety of the public. Users coming from the Melrose Lane parking lot should turn around at the Route 23 tunnel and users coming from Friends Park will need to turn around at the end of Newport Drive.

The work is expected to be completed over the weekend. Once the work is finished, the trail will re-open to the public. If you have questions, please contact the Department of Parks and Recreation at 410-638-3570.
